"THE FIGHTING RANGER"
Adventure Picture
With Jack Daugherty & Eileen Sedgwick
Episode 15.

Ida Hubert's plane has crashed to the ground. Bud and O'Rourke pick her up and she confesses that she has located the treasure on Mary's ranch and that Buck McLeod is waiting for her at the cave to make away with it. O'Rourke goes to arrest Buck while Mary and Bud take Ida to the hospital. O'Rourke fights Bud and knocks him out. Buck tells him that Taggart killed his father and is also guilty of the crime for which Mary's father has been sentenced to hang.

Taggart and his men reach the cave and beleaguer O'Rourke. Seeing a means of escape, Taggart deserts the men and escapes to town, pursued by O'Rourke. Taggart gets Dawson, his tool, to empty the cash in the bank vaults into a bag and they make ready to flee across the border. But O'Rourke reaches and overpowers them just as the posse, organized by Bud, come in with the other prisoners taken at the cave.

Taggart is branded with his crimes, Mary's father is freed from prison and she goes with O'Rourke to honeymoon in Paradise Valley.
